

AP Racing is the world's most successful Brake and Clutch supplier to the Motorsport market, providing systems to every F1 championship winner for the past 50 years. AP Racing is also a leading supplier of Brake and Clutch systems to the high-performance Automotive OEM and Aftermarket.

Following the continued success from the technological advancements and quality, AP Racing is entering its next phase of development in both Race and Road sectors.

Design Placement 2024/2025

AP Racing is proud to offer placement opportunities to undergraduates who are seeking a year's industrial experience within a globally recognised company. These placements are to begin in July 2024 and are as follows:

Role:

- Design, develop and modify brake and clutch products for race and high performance road applications using CAD and Technical Drawings.
- Designing and analysing fixtures using CAD and FEA.
- Creating and modifying technical documents.
- Liaising both internally and externally across various departments, suppliers and customers.

Desirable Skills:

- 2D Technical Drawing
- 3D CAD Modelling
- Finite Element Analysis
- Practical engineering experience
- Microsoft office

What we want from you:

- Studying an engineering degree for at least 2 years, on track for a 2:1 or above.
 - Mechanical, Motorsport, Automotive, Aeronautical Engineering or similar
- Willing to learn new skills, good at problem solving and coming up with creative solutions.
- Passion for engineering, willing to work proactively and self-motivated.
- Able to work in a team and communicate effectively.

How to Apply

- Please submit all applications and queries to [**placements@apracinq.co.uk**](mailto:placements@apracinq.co.uk)
- Please state the position(s) you are applying for in the header
- Applicants must ensure that they are eligible to work in the United Kingdom during the placement period
- Applicants are welcome to apply for multiple roles, but we ask that they send only one CV and Cover Letter

Duration:

Approximately 13 months

Annual Salary:

Competitive

Application Deadline: 31/12/2023

Contact Details: Please submit all applications and queries to: [**placements@apracinq.co.uk**](mailto:placements@apracinq.co.uk)
