

AP Racing is the world's most successful Brake and Clutch supplier to the Motorsport market, providing systems to every F1 championship winner for the past 50 years. AP Racing is also a leading supplier of Brake and Clutch systems to the high-performance Automotive OEM and Aftermarket.

Following continued success from technological advancements and quality, AP Racing is entering its next phase of development in both Race and Road sectors.

## **Industrial Engineering Placement 2024/2025**

AP Racing is proud to offer an Industrial Engineering placement opportunity to undergraduates who are seeking a year's industrial experience within a globally recognised company. This placement is to begin in July 2024 and the details are as follows:

### **Role:**

- Reporting to the Manufacturing Engineer, this role is pivotal to the design of tooling and equipment for various production processes.
- Undertake the design, delivery and commissioning of equipment required to manufacture and test component parts in line with business project requirements.
- Liaising internally and externally; with multiple departments and suppliers.
- Development and optimisation of existing equipment and processes in order to ensure production continues to be cost effective and to maintain the highest quality standards.

### **Desirable Engineering Skills:**

- Knowledge of small tooling for assembly and semi-automation
- 2D Technical Drawing
- 3D CAD Modelling
- Microsoft Office Suite

### **What we want from you:**

- Undergraduate studying an engineering degree in Mechanical/Manufacturing Engineering (or similar) for at least 2 years, on track for a 2:1 or above.
- Willing to learn new skills, good at problem solving with an innovative approach.
- Passion for engineering, willing to work proactively and be self-motivated.
- Proficient project management skills, able to work in a team and communicate effectively.

### **How to Apply:**

- Please submit all applications and queries to [placements@apracings.co.uk](mailto:placements@apracings.co.uk)
- Please state the position(s) you are applying for in the header.
- Applicants are requested to send a CV and Cover Letter.
- Applicants must ensure that they are eligible to work in the United Kingdom during the placement period.

### **Duration:**

Approximately 13 months

### **Annual Salary:**

Competitive

### **Location:**

Coventry

### **Application Deadline:**

31st December 2023, 23:59 GMT
